TENANTS' SERVICE

REPRESENTING TENANT FARMING MEMBERS

A woman in a light-colored checkered shirt and a man in a dark polo shirt with a '4' logo stand in a grassy field with cows. The woman is smiling and looking towards the camera, while the man is looking off to the side. The background shows a clear blue sky and some trees.

Our dedicated policy and technical advisers are here to empower our tenant members, and help them to build strong, productive, and viable farming businesses. We understand the unique challenges faced by tenant farmers and are committed to providing the necessary tools and support to help you succeed.

We have a range of resources designed to enhance your farming business with expert guidance on navigating agricultural regulations, networking opportunities within the farming community, and practical advice on improving operational efficiency.

Whether you need assistance with securing fair land agreements, optimising your farm's productivity, or exploring innovative farming techniques, the NFU is here to assist you. Our aim is to ensure that every tenant farmer has the support they need to thrive in today's agricultural environment.

7 WAYS WE'RE HERE TO HELP YOU

1

DEDICATED HELPLINE
