## PLEASE JOIN US

With safety and staff well-being a major consideration at harvest time, spare an hour to join us and make sure you deliver a successful harvest, with everyone safe and well. Hear on the day from a range of experts:

### DEPUTY PRESIDENT STUART ROBERTS

**Tom Price** - NFU Farm Safety Specialist

**Casey Barker** - NFUM Risk Management Services

**Geoff Earl** - Northern Power Grid

**Dr Caroline Knott** - Clinical Psychologist,  
Tees, Esk and Wear Valleys NHS Trust

Topics covered will include:

- the latest accident statistics
- how to avoid the most common farm accidents
- how to work safely around overhead power lines
- transport regulations and preparing for harvest
- recognising and managing your stress levels
