

ENERGY NOW

awards 2017

8 February 2017 Telford International Centre
The renewable energy awards for farmers and landowners

Recognising and celebrating the achievements of UK farmers and landowners within the renewable energy and low-carbon sectors

Do you or someone you know own a renewable energy scheme that has been operational for more than 12 months?

Is the heat and/or power being used efficiently on site?

If yes – Enter the Energy Now Awards!

EACH WINNER WILL RECEIVE
£500
